AUGUST 2010

Get Fed at Harrah's!!

While writing an email or searching for information on the internet, I can usually avoid all the pop up advertising and banners that run across the screen. But when I saw "**Nourish Your Soul**," that caught my eye. I looked up at the blinking lights on my computer screen:

NOURISH YOUR SOUL for only \$99 a night at Harrah's.

Ninety-nine dollars is not a bad deal to spend a night in an upscale hotel and partake of whatever amenities. I won't go into the United Methodist Church's position on gambling, but I will talk about the Christian understanding of what it takes to nourish one's soul. It's going to take a lot more than one night at Harrah's! And while a 'night away' whether at a gambling casino or beach resort or mountain cabin might take your mind off of responsibilities at home, nourishing one's soul is daily work. Getting away on vacation *can* be good for the soul – taking a break, splurging, new scenery, seeing old friends, eating shrimp cocktail, sleeping late, going to Disney – we come back from vacations and say, 'Wow, we needed that.' Refreshment is good.

Nourishment is altogether another issue. Nourishing our soul takes daily disciplines and diet: spending time in prayer, reading scripture, having some quiet time to listen for God, listening to music that glorifies God (whether it be Beethoven's Ninth or Casting Crowns – whatever your taste), going for a walk around the track to exercise your body and spend time in conversation with God, journaling your thoughts and questions about your journey of faith these are nutrients we need everyday to feed and nourish our soul.

Spirituality is not about getting away, but tending to. You don't need ninety-nine dollars. You only need the hunger.

See you Sunday...

The Staff-Parish Relations Committee is pleased to welcome **Jean Osborne** to our staff as Chancel Choir Director. Jean joined the Beaver Ridge UMC family one year ago when she moved here from Vermont where she had served as choir director and accompanist for churches. Church Council Members...

**SATURDAY,
AUGUST 28**

This is the date for our Church Council Retreat here at Beaver Ridge, 9:00 a.m.-12:00 noon. More details to come.

Youth Week Was Totally Legit!!

Thirty-eight middle school and high school students participated in this year's Youth Week. We began the week by "kidnapping" the rising 6th graders from their homes and welcoming them to youth group with some crazy games and fellowship. During the week, we were blessed with the opportunity to serve at Volunteer Ministry Center and Wesley House. At VMC, we led Bingo and also visited with the homeless men, women, and children at the center while we served and ate dinner with them. We also enjoyed an afternoon at Wesley House, providing an ice cream snack and playing games with the children there. There was time for a little fun during the week, too, with pool parties, go-carts and bumper boats at Zuma Fun Center, and cooling off in the World's Fair Park fountains. We wrapped up the week with an outdoor movie on the FLC wall and a Lock-In with lots of games, food, & shenanigans...but very little sleeping! It was a fun, exciting week but most of all it was a time to meet new friends, get to know each other a little better, and be in fellowship and service with one another. Alpha & Omega Youth, you rock!!

Beaver Ridge and other Oak Ridge District churches prepare to load watermelons onto trucks for delivery to food pantries and agencies.

To Beaver Ridge United Methodist Church,

On behalf of the Oak Ridge District United Methodist Men's Ministry, I just want to say "THANK YOU" for being a wonderful "Host Church" for our "Watermelon Drop." By the way, this did not really end up as a drop. I think we only lost three watermelons to being dropped.

On Saturday, July 17, 2010 you should be proud what your church helped accomplish. We gave away between 3900 and 4500 watermelons to needy families, folks, children and food pantries. For example, we gave away as little as one watermelon to a lady that was going to share it with a friend and as many as 600 to one group of churches that are distributing them to needy children.

We could not have provided this wonderful gift to the needy folks in our area if it had not been for your love, strength and total support. From start to finish you all have been "onboard" with us in this project and then on Saturday you turned out to help us unload and reload these watermelons in less than three hours. I think the youngest member of the team was five and the oldest was eighty-six. This is truly amazing. May God continue to bless you and your entire church family in all you do for His glory. This was not about us, but to God's glory that we received and were able to give this gift to many. Thank You!

*Mike Smith, President
Holston Conference United Methodist Men*

Mission Enlightenment

Their **vision** is a nation in which every family has a home, a livelihood, and the chance to build a better future together. Their **motto** is "building communities, strengthening lives." Their **mission** is to help homeless and low-income families achieve sustainable independence.

Who are they? **Family Promise**. They provide food, shelter, and support services for homeless families. Not only that, but they provide advice and advocacy for at-risk families to prevent their becoming homeless. And they educate people about poverty and the means to combat it. They accomplish through the hands-on help of people like you. What can you do, you say? You can, and do, donate goods as needed. Many of you can cook. All of you can provide an ear to listen, a hand to hold, a little time to care. Sometimes, that's all it takes.

Family Promise uses more than 130,000 volunteers (just like you!) from coast to coast to reach out to the homeless families across our Nation. Did you know that many homeless shelters are required to segregate families by gender....so that a single Dad has to sleep in a separate room from his daughter... Now don't get me wrong: our homeless shelters provide an important and much needed resource in our community. However, they can't address the issue of whole families who have no place to stay. Family Promise works to provide a place for homeless families to be a family, as they work to get back on their feet. Did you know: one out of every 50 American children experiences homelessness each year? And that 42% of homeless children are under the age of 6 years?

Since Family Promise's founding more than twenty years ago, they have helped 80 percent of their clients secure housing. Isn't that worth helping?

A Chance to Help In Our Community

Do you have a heart for service? Are you a good listener? Do you have one hour a week to become the hands and feet of Jesus Christ?

A Karns Elementary student NEEDS YOU! Sign up to become a mentor at Karns Elementary and be ready to change a life and also enrich your own more than you can imagine. All you need to do is be a positive role model for the

student and spend 45-60 minutes per week talking, reading, and being a friend. You might play a game or practice math facts with your student. All activity will take place at school. There will be an information/ training session at the school on August 31 at 5:30 p.m., and you will find out all you need to know to start. Contact the school principal, Darlene Miller (millerd7@k12tn.net or 539-7772) or Dona Bean (beand@k12tn.net) for more information.

Family Promise Pasta Cook-Off

As a support church for Family Promise, we encourage you to support and attend the Family Promise Pasta Cook-Off to be held Saturday, August 28 from 5:30 - 8:30 p.m. at Sacred Heart Catholic Church. Tickets are \$5/person or \$20/family and are available from Charlotte Delozier, Rebecca Young or Charlene Asbury. Come and try out the many pasta dishes and vote for BRUMC as the best pasta!

Food Distribution (Food Pantry & More)

BRUMC's efforts to feed the hungry in our community continue to expand. We are thankful to all who participate in volunteering in and contributing to our food pantry, in the Second Harvest Food giveaway, the community Thanksgiving dinner, the Hunger Hike, and most recently the watermelon "drop."

This week, our Food Pantry served a record high number of families (21) and the need continues to grow. The outreach arm of our mission team continues to look for and develop new opportunities for service in distributing food and assistance. One opportunity now present is to help pack weekend food bags for children at Karns Elementary. (This food is supplied by Second Harvest and is the only way children would have food to eat during the weekend.) The mission team is also evaluating other food

distribution opportunities.

If you have helped or would like to help with any of the aforementioned opportunities for service in distributing food to those in need, contact Rebecca Young (769-4662) who is compiling a list of volunteers. When you volunteer, note whether you are most available to help during the day, evening or weekend. Your help is greatly needed and appreciated.

Another way to support our food pantry is to provide items that can not be purchased with food stamps. We are beginning to collect the following:
Paper products (toilet tissue & Kleenex)
Bars of Soap
Bottles of Shampoo (preferably 6 oz. or larger)
Personal Hygiene Products (feminine products, Depends, etc.)

Leave any items you wish to donate across from the church office.
