## *The Ones We Long For*

by John van de Laar

© 2009 Sacredise

***In a world that too easily wounds and breaks,  
we long for those who will heal and restore;***

***In a world that too easily divides and dissects,  
we long for those who will unify and inter-  
weave;***

***In a world that too easily excludes and judges,  
we long for those who will include and under-  
stand;***

***And in a world where your call, O God, can still  
be heard,  
we long for the courage to answer, and to be  
the ones we long for.***

***Amen.***
